

## **Information sheet**

I have accurately read out the information sheet to the potential participant, and to the best of my ability made sure that the participant understands that the following will be done

1. Check the sulcus sign
2. Surface electrode on arm in middle deltoid
3. Inclination of couch at different angle and abduction of shoulder

I conform that the participant was given an opportunity to ask questions about the study, and all the questions asked by the participant have been answered correctly and to the best of my ability.

I conform that the individual has not been coerced into giving consent, and the consent has been freely and voluntarily.
